(a TACO Company) -
Vertical Turbine Pumps
& Split Case Pumps

Sump & Utility Pumps, Effluent
Pumps, Sewage Pumps, Non-
Clog Pumps, Grinder Pumps, &
Elevator Pumps

Portable Dewatering Pumps
essential for sewer bypass
pumping & flood relief

Pressure Transmitters,
Level Sensors, Pressure
Gauges, & Accessories

Industrial Control and
Monitoring Products

Custom-Engineered Mechanical
Seals, Edge Welded Bellows, &
the world's first Two-Piece Split
Cartridge Mechanical Seal

Direct In-Line Pump
System engineered to
eliminate the wet well

Liquid Level Float
Switches, Control
Panels, Alarms, &
Junction Boxes

Anti-Ragging Device that will
eradicate pump ragging in
real time & bring intelligent
efficiency to any pump

Industrial & Municipal
Coatings; Leader in
corrosion & erosion
repair & maintenance

Metal Fabrication, Floor
Hatches, Basin Covers,
Grating, & Accessories

Single Point
Lubrication Systems

Storm Water Pumps

Screw Conveyors, Gear Motor
Drives, MoviGear Drive
Systems, & Helical Gear Units

AC Motors & DC Motors

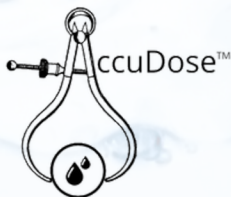

Hydraulic Control Valves
(Sustaining & Reducing),
Air Valves, & Flow Meters

Package Blowers,
Centrifugal Blowers, Turbo
Blowers, & PD Blowers

Industry Leading Valves:
Air Release, Check,
Butterfly, Plug, and Gate

Water & Wastewater
Remote Monitoring &
Control Systems

Drives: Cyclo, Hansen,
Paramax, & Bevel Buddybox

Lift Station Basin
Packages

Electric Motors & Drive Solutions

Screens (Bar, Fine, Conveyor), Grit
Classifiers, & Conveyor Systems
