Submersible Pumps & Horizontal & Vertical End Suction Pumps

Sump & Utility Pumps, Effluent Pumps, Sewage Pumps, Non-Clog Pumps, Grinder Pumps, & Elevator Pumps

Portable Dewatering Pumps essential for sewer bypass pumping & flood relief

Pressure Transmitters, Level Sensors, Pressure Gauges, & Accessories

Industrial Control and Monitoring Products

Custom-Engineered Mechanical Seals, Edge Welded Bellows, & the world's first Two-Piece Split Cartridge Mechanical Seal

Direct In-Line Pump System engineered to eliminate the wet well

Liquid Level Float Switches, Control Panels, Alarms, & Junction Boxes

Anti-Ragging Device that will eradicate pump ragging in real time & bring intelligent efficiency to any pump

Industrial & Municipal Coatings; Leader in corrosion & erosion repair & maintenance

Metal Fabrication, Floor Hatches, Basin Covers, Grating, & Accessories

Single Point Lubrication Systems

Storm Water Pumps

Screw Conveyors, Gear Motor Drives, MoviGear Drive Systems, & Helical Gear Units

AC Motors & DC Motors

Hydraulic Control Valves (Sustaining & Reducing), Air Valves, & Flow Meters

Package Blowers, Centrifugal Blowers, Turbo Blowers, & PD Blowers

Industry Leading Valves: Air Release, Check, Butterfly, Plug, and Gate

Water & Wastewater Remote Monitoring & Control Systems

Drives: Cyclo, Hansen, Paramax, & Bevel Buddybox

Lift Station Basin Packages

Electric Motors & Drive Solutions

Screens (Bar, Fine, Conveyor), Grit Classifiers, & Conveyor Systems

# SHOP SERVICES

Wilco Warranty Facility | EASA Approved Facility  
ABB Baldor-Reliance Industrial Motors Warranty Facility

## REPAIRS

Pumps | Mixers | Electric Motors | Gearboxes & Gearmotors

## OTHER SERVICES

Electric Motor Rewinding & Reconditioning  
Dynamic Balancing | Field Services | Machining
